

Required Information for the Client

To provide or pay for health services: If the Department of Human Services (DHS) is acting as a **provider** of your health care services or paying for those services under the Oregon Health Plan or Medicaid Program, you may choose not to sign this form. That choice **will not** adversely affect your ability to receive health services, *unless* the health care services are solely for the purpose of providing health information to someone else and the authorization is necessary to make that disclosure. (Examples of this would be assessments, tests or evaluations.) Your choice not to sign **may affect** payment for your services if this authorization is necessary for reimbursement by private insurers or other non-governmental agencies.

This authorization for use and disclosure of information **may also be necessary** under the following situations:

- To determine if you are eligible to enroll in some medical programs that pay for your health care
- To determine if you qualify for another DHS program or service not acting as a health care provider

This is a Voluntary Form. DHS cannot condition the provision of treatment, payment, or enrollment in publicly funded health care programs on signing this authorization, except as described above. However, you should be given accurate information on how refusal to authorize the release of information may adversely affect eligibility determination or coordination of services. If you decide not to sign, you may be referred to a single service that may be able to help you and your family without an exchange of information.

Using This Form

2. **Assistance:** Whenever possible, a DHS staff person should fill out this form with you. **Be sure you understand the form before signing.** Feel free to ask questions about the form and what it allows. You may substitute a signature with making a mark or by asking an **authorized** person to sign on your behalf.
3. **Guardianship/Custody:** If the person signing this form is a personal representative, such as a guardian, a copy of the legal documents that verify the representative’s authority to sign the authorization must be attached to this form. 4. **Cancel:** If you later want to cancel this authorization, contact your DHS staff person. You can remove a team member from the form. You will be asked to put the cancellation request in writing. Exception: Federal regulations do not require that the cancellation be in writing for the Drug and Alcohol Programs. No more information can be disclosed or requested after authorization is cancelled. DHS can continue to use information obtained prior to cancellation.

6. **Special Attention:** For information about **HIV/AIDS, mental health, genetic testing or alcohol/drug abuse treatment**, the authorization must clearly identify the specific information that may be disclosed and the purpose.

Re-disclosure: Federal regulations (42 CFR Part 2) prohibit making any further disclosure of Alcohol and Drug information; state law prohibits further disclosure of HIV/AIDS information (ORS 433.045, OAR 333-12-0270); and state law prohibits further disclosure of mental health, substance abuse treatment, vocational rehabilitation and developmental disability treatment information from publicly funded programs (ORS 179.505, ORS 344.600) without specific written authorization.
