Dear Parent/Guardian:

Please complete, sign and return the attached Confidential Income Statement to us as soon as possible. This center participates in a Federal nutrition program that allows us to serve nutritious meals and snacks and helps keep the charge for care at a lower rate. The program is funded by the United States Department of Agriculture (USDA) and Oregon Department of Education, and is called the Child and Adult Care Food Program.

All children enrolled in our center receive meals at no separate charge. To keep our fee schedule low and provide excellent food service for children, we need the information requested on the Confidential Income Statement.

COMPLETING THE FORM

Follow the instructions on the form.

Please complete and return the form to the center if:

- The child care participant receives food stamps, TANF, or Food Distribution Program on Indian Reservations (FDPIR)

OR

- The household income is less than the amount on the Income Eligibility Guidelines.

This information will be kept strictly confidential. Your cooperation is appreciated.

Sincerely,

Center Representative

USDA and the State of Oregon are equal opportunity providers and employers.
